

Request for Proposal (RFP) Addendum No. 1

RFP Number: BD-23-2238-NMCOG-NMCOG-99286

RFP Description: Purchase, Installation, and Operation of Public Electric Vehicle (EV) Charging Stations in the Towns of Dunstable and Pepperell, Massachusetts

Purpose of Addendum: EV charging station site relocation

RFP Response due Date and Time: May 9, 2024 at 5pm

Addendum Date: March 5, 2024

The following change to the Request for Proposal and clarifications are provided based on questions we have received and must be added/considered when completing your submittal: Acknowledgement of receipt of this Addendum is required on the cover page.

1. The proposed site for the EV charging station at Dunstable Town Hall was relocated to a position more distant from the building.
